**Southern Marine Construction** has been a very loyal and competent customer of mine for over 10 years. Having had the opportunity to visit 100's of his job sites throughout the years, I can say without any reserve that Southern Marine Construction constructs a top quality product. He has acquired a very extensive customer base which only comes from excellent customer service and a commitment to providing the best quality product at a fair price. I would highly recommend Southern Marine Construction to any client and do so without any reservations.

Sincerely,
